No rest for in-form Goff at Spa

JACK Goff returned from his first ever Spa outing with a podium finish.

The Stokenchurch racer crossed the Channel to make his debut in the Lotus Cup and was up to speed almost immediately.

Despite never having raced on the continent, let alone at Spa, Goff impressed in qualifying to secure second place on the grid in his class and fifth overall out of 38 cars.

And that proved a good

indicator of what was to come as, despite suffering power loss issues, he crossed the line second in class and sixth overall.

Goff is next in action in the Lotus Cup at Oulton Park at the end of the month, before returning to the Clio Cup Championship at Snetterton, where he is championship leader.
